This year we are attending a "Next Level" camp which is for students in high school in fall 2018. It includes daily mass as part of program, daily rosary, and adoration. The Next Level camps also include youth group bonding time with a youth group activity designed and provided by CHWC. The "youth group time" will challenge students to reflect and grow in their Catholic Faith. Next Level does not always mean more challenging work projects. Each camp is different.

How Many? There are 32 youth spots and 6 adult spots. We must have one adult for every five youth. We must have both male and female adults. If we don't have enough registered adults, youth will be placed on a waiting list until another adult steps forward to attend. Parishioners of All Saints parish will have priority on the registration and waiting list in the order that they sign up. Non parishioners are also welcome.

Cost: **Youth Price: \$450 for REGISTERED All Saints parishioners** (in thanks to our All Saints Stewardship Philosophy. REGISTERED is defined as a family recorded in the parish database at All Saints and is documented as giving freely to the parish in time, talent and treasure). A \$100 non-refundable deposit is required to secure your spot.

For Non-Parishioner Youth and Adults: Cost is \$650. Fundraising opportunities are available to ALL participants. A \$100 non-refundable deposit is required to secure your spot.

Adult price: \$200 (for REGISTERED All Saints parishioners). This pricing is available to the first 6 adults that register. A \$100 non-refundable deposit is required to secure your spot.

Fundraising opportunities are available to ALL participants. If funding is an obstacle for you, please contact Annie about what opportunities may be available.

Reservations: Your spot is reserved when you have submitted your non-refundable deposit (\$100) AND you have submitted your Letter of Commitment (back page of packet). Spots are reserved on a first-come, first-served basis! For questions, please contact: Annie Nassis - Director of Youth Ministry All Saints Church 865-474-8609 or annieatallsaints@yahoo.com

What is Catholic HEART Workcamp?

Catholic HEART Workcamp is a national organization that combines service, worship, friendship, and fun in a retreat-like setting. HEART Workcamp holds over 50 camps annually across the United States and abroad. This opportunity is open to current 8th graders through college and adults. This is a great opportunity for your entire family.

Participants will travel to their designated camp city to work, play and pray with other teens from across the nation. The days begin and end with a high energy, motivational program including music, drama, speakers, and prayer. During the day, groups will perform various types of service projects including painting, home repair, light construction, landscaping, working in food banks, assisting in child care facilities, and much more.

Teens and adults are split up into teams with different youth from around the U.S. They have the opportunity to actively live out their faith, make new friends, and grow closer to God. These camps can completely change lives and impact your faith in ways you never thought possible. I have participated in several Catholic HEART Workcamps with youth groups and also as a staff member. It is an INCREDIBLE life-changing experience. It is a fabulous opportunity to truly reach out and be the hands and feet of Christ.

Because of the strong commitment All Saints is showing to this project, we must understandably have a firm commitment from our participants. **We are asking each of our attendees to sign a letter of commitment for this trip. This letter of commitment states that each participant will indeed attend the work camp during the week specified. By signing this letter of commitment, it is understood by all participants that they are fully committed to attending the camp. If a participant is unable to attend, it will be the responsibility of the participant's family to find someone to take their spot. If a participant is unable to find a replacement, we are asking that the participant refund the parish for the designated amount paid by the parish.**

Because of the large amount of funding required, we thank you ahead of time for your understanding for this delicate matter. It is with your continued support, patience and understanding that All Saints is able to continue to support parish programs through its stewardship philosophy.

How much is the trip?

Our All Saints Stewardship Philosophy allows for many parish activities to be partially or fully funded by the parish. We are able to do this through the continued gracious donations from our parishioners.

Cost: **Youth Price: \$450 for REGISTERED All Saints parishioners** (in thanks to our All Saints Stewardship Philosophy. REGISTERED is defined as a family recorded in the parish database at All Saints and is documented as giving freely to the parish in time, talent and treasure). A \$100 non-refundable deposit is required to secure your spot.

For Non-Parishioner Youth and Adults: Cost is \$650. Fundraising opportunities are available to ALL participants. A \$100 non-refundable deposit is required to secure your spot.

Adult price: **\$200 (for REGISTERED All Saints parishioners).** This pricing is available to the first 6 adults that register. A \$100 non-refundable deposit is required to secure your spot.

Fundraising opportunities are available to ALL participants.

The cost includes all lodging, meals (except for traveling days and free day), and activities during the camp (excluding free day activities), building materials, transportation costs, and fuel.

We will be strategizing some creative ways to assist in funding this experience including youth fundraisers, possible church contributions, and individual contributions. If you are willing to help with these fundraisers, please let me know.

Please feel free to contact me at any time with any questions or concerns. I can be reached at 474-8609 or at annieatallsaints@yahoo.com.

Thanks for your continued support. Please pray for the success of this trip!

God Bless,

WHAT WORKCAMP IS LIKE?

Your group will arrive at the school on the opening day of camp in the afternoon sometime between 12:00-2:30. You will probably be tired from traveling, but filled with anticipation for the week ahead. First you will get situated in your sleeping quarters (a classroom) with your own group. Then an afternoon program filled with Mass, group mixers, singing, a video, and more that will start this great week together.

You will be divided into seven member work crews. Each group will have an adult leader. We will do our best to balance males and females, and experienced and inexperienced people on each crew. You will spend time going over work assignments for the coming week. Crews work best when they discuss problems and make decisions together.

Being in work crews with people from different Catholic youth groups will give you an opportunity to meet other teenagers and develop new lasting friendships. For many, your work crew will be the most memorable part of the Workcamp.

You will begin the day with breakfast at 6:45 a.m. Work crews usually leave for their worksites by 8:15 a.m. and return to the school by 3:30 p.m. Each day you will spend time working at your assigned site. You'll be involved in one or more of the following work projects: painting, yard work, indoor/outdoor clean-up, home maintenance and repair on existing homes, neighborhood revitalization, helping with children at daycare centers/boys and girls clubs for low income families, helping at centers that distribute food to the needy, restoring hope to those who have none. You will also have time for lunch, sharing and reflection during devotions on what it means to be a servant.

After returning from your worksite, you will have an opportunity to get cleaned up and enjoy some free time. You might play some pickup games (basketball, volleyball, football, etc.), write postcards, take a nap or talk with your new and old friends.

Dinner will be from 5:30- 6:30 p.m., with some free time to follow. The evening programs will be filled with activities, music, skits, videos, slides of the work day, testimonies from teens, motivational speakers and prayer. You will not be bored by any means! Each night will be different and special. There will be an opening and closing Mass and other Masses throughout the week.

These evening programs will inspire you to continue serving the next day and renew your commitment to God. Each camp has a free day scheduled for groups to goof off and have fun seeing the sights of the host city. You and your group can choose to go to any of the area attractions. This well-deserved break will be an opportunity for fun and community building with your own youth group. The closing activities on the evening of the free day will wrap up a wonderful week at the Catholic HEART Workcamp. You will feel proud of the hard work you've done during the week and look forward to new opportunities to serve back home.
